WHO ARE WE?

Octoco provides an array of product development services, including hardware engineering, software engineering, IoT infrastructure development & investment support. We also provide CTO level strategic support to founder & development teams.

INVESTMENT TYPES

The pitching event will focus on capital investment as well as "sweat equity" investment. The investment value will range **from R300 000 to R50 million+**. Companies will be vetted and matched with investors accordingly.

Pre-Seed

6 pre-seed companies will be selected for the pitching night. We would like to hear your ideas and support development efforts.

Seed

6 Seed stage start-ups will be selected for the event.

Series A&B

A combination of series A and B companies will be selected for the final few seats at the event.
